

Why not make a day of it,
and have your lunch in the
Printroom Café in The Storey?

It's a great place for a
relaxed lunch in welcoming
surroundings.

LET'S RAVE WITH LUDUS DANCE

Come and join Ludus Dance for their 'Raving
With Power' workshop! A space filled with games,
dance and explorations of lots of different lights.
Learn how they light up their performances and
learn some of their rave movements in advance
of the shows for Light Up Lancaster.

**Drop in any time between 10am and 2pm,
Wednesday 28 and Thursday 29 October**

Children must be accompanied
(up to 2 children per adult).

Explore Week has been coordinated with the Engagement team at Lancaster University,
with support from the University's Impact Acceleration Account funding programme.

*These workshops are run by Lancaster University's Campus in the City - a community
engagement programme that brings hands-on research, interactive experiments, and
family-friendly activities out of the university and into the heart of the local community.

Many thanks to Our Future Coast for supporting the Design a Lighthouse workshop.

Face Painting: Get your face painted by the Specialist Make-up students from Lancaster & Morecambe College

There will also be DIY Activity Tables available throughout the sessions, located within The Gallery.

EXPLORE IS A WEEK OF FUN HANDS-ON CREATIVE ACTIVITIES, LEARNING ABOUT ART, LIGHT AND SCIENCE!

All the activities are free and there is no need to book, you can just turn up at any point during the session time and join in – some activities take longer than others! Parents or guardians must be present at all times in the sessions.

All our workshops are located inside The Storey, Meeting House Lane, Lancaster, LA1 1TH
