

Why not make a day of it, and have your lunch in the Printroom Café in The Storey?

It's a great place for a relaxed lunch in welcoming surroundings.

MAGICAL MOVEMENT WITH LUDUS

Join Ludus Dance in their ground-floor space at The Storey for their second year of open interactive workshops playing with light-art, shadows, and projections. Explore dancing and moving under the torch-lit, magical glow of solar powered lights.

Monday 27, Tuesday 28, Wednesday 29, Thursday 30 October 10am - 12pm

Suitable for under 7s and their families. Children must be accompanied by an adult.

Explore Week has been coordinated with the Engagement team at Lancaster University, with support from the University's Impact Acceleration Account funding programme.

EXPLORE IS A WEEK OF FUN HANDS-ON CREATIVE ACTIVITIES, LEARNING ABOUT ART, LIGHT AND SCIENCE!

All the activities are free and there is no need to book, you can just turn up at any point* during the session time and join in – some activities take longer than others! Parents or guardians must be present at all times in the sessions.

*For *The Speed of Light* talk, please see start times listed on the timetable.

All our workshops are located inside The Storey, Meeting House Lane, Lancaster, LA1 1TH
